

Specialist Business Advisors Case Study

“ The specialist IT support we received from Borwell through the WBC Specialist Advisor programme helped our business to adapt and accommodate team members that needed to work remotely due to Covid restrictions. We would highly recommend! -- Lisa Clayton

Clayton Window Cleaning specialise in high quality cleaning for both domestic and commercial windows.

Specialist Business Advisor: **borwell** 

How did this programme help your business?

Borwell assisted us with the set up of emails from our domain. They also helped with Microsoft Teams set up and provided an in depth walkthrough. This helped our business adapt and accommodate team members that needed to work remotely due to Covid. The advice and support from Jordan at Borwell was perfectly tailored to suit our business needs and it was delivered in a professional and friendly manner.

What would you advise other Worcestershire businesses about the programme?

Excellent support for businesses that need specific help in areas where knowledge/previous experience may be lacking. Friendly and knowledgeable advisers deliver invaluable support tailored to your business.
